

Collecting UPC's from products earns us points to use in their catalog. From glue sticks, electronics, or even a van! Snip, snip these really add up!

With our last submission, we earned \$325! Thank you so much for submitting! Keep looking for Box Top products. Each one is worth at least 10 cents, with some products having bonuses.

Good for us and good for the environment. Funding Factory donates money to us for each ink, toner, cell phone, or tablet we collect.
